*****NOTICE*****

1. New construction requires one (1) Digital Copy (PDF) and two (2) sets of construction plans and specifications. Submitted plans are owned and will remain in the possession of the City of Colorado City and will not be returned to the Owner, Architect/ Engineer, or Builder.

2. Work may not start until a permit has been issued and a permit is not issued until approval is given and the permit is purchased. Work done prior to approval will cause the permit fees to double and could result in a stop work order, possible removal of any construction, and possible citation.

3. Inspections are to be requested as needed during the work. **A final inspection must be done, and a Certificate of Occupancy issued before a building or structure is occupied. Failure to obtain a Certificate of Occupancy prior to occupying a building or structure could result in citation and/or fines.**

4. You are responsible for ensuring that you meet all deed restriction or HOA requirements prior to obtaining a permit. The City does not regulate deed restriction or HOA requirements.

I agree to allow no work on which separate permits are required. I have carefully examined and read the completed application and know the same is true and correct, and hereby agree that if a permit is used, all provisions of the City of Colorado City and State Laws will be complied with, whether herein specified or not. I, the undersigned, do hereby certify that I am the Authorized Agent/ Builder/ Owner of the property described above and that I am applying for this permit at the request and with the permission of the same.
