

2022 – Cudahy Fireworks

Fireworks this year will be launched from our Water Utility pump station located at the far, east end of Pulaski Ave. The "X" in the diagram indicates the launch site. Fireworks will not be launched from within Sheridan Park. The change in location was in response to Milwaukee County Parks not issuing permits due to Covid restrictions at the time of planning our July 4th events.

This year, the Celebrations Committee has allocated \$18,000 towards the fireworks display. Due to the launch site located at the shores of Lake Michigan, there will be no ground displays at this year's display. The money spent on ground displays were re-allocated to aerial shells.

Start Time – 9:15pm sharp

**** Suggest you arrive before 8:45pm to find a place to set-up.**
