PUBLIC COMMENTS

Motion by Councilwoman Vuoncino, second by Councilman Dyer, to open the floor to the public. Upon roll call, all members present voted in the affirmative. Motion carried.
Beth Antoci, 30 Indian Trail, expressed concern regarding parking once Yahn’s Pond would become a skating pond, and asked why Buehler’s couldn’t be a skating pond instead. Mayor George explained that it was the shallowness of Yahn’s Pond that made it a safe skating site because if someone were to fall through the ice, they could just walk out. Mayor George advised that the Borough still had to figure out who was going to certify the thickness of the ice since the County does not do so anymore, that this project was still under discussion, but that once the Borough was ready to implement the use of Yahn’s Pond as a skating pond administered by the Recreation Commission, local residents would be invited to a council meeting for their input.

John Bleeker, 23 Lee Drive, wondered if lowering the speed limit on High Mountain Road would adversely affect a pending lawsuit. The Borough Attorney advised that the law suit could not be discussed. Mr. Bleeker advised that he had filed an appeal in the matter regarding the health insurance lawsuit. Mr. Bleeker produced a CD which allegedly was a recording of a North Haledon Ambulance Corps meeting and invited Mayor George to listen to it. Regarding LOSAP, Mayor George reminded Mr. Bleeker that no member of former company no. 1 had qualified for LOSAP payments since 2008. Mr. Bleeker raised the issue of a complaint he had made to the Construction Department about Mayor George’s garage. Mayor George advised that the Construction Official had instructed the mayor to hire an architect to compile a study regarding his garage since the Construction Official could not do business with the mayor who appoints him, and that was, for example why, when the mayor put in a new furnace, he had to have a building official from another municipality inspect it. Mr. Bleeker challenged the accuracy of findings of an architect hired by the mayor, but the mayor advised that no professional would jeopardize their license.

Frank Coscia, 80 Central Avenue, who was attending the meeting to address the members of the Governing Body regarding the need for the purchase a new ambulance for the North Haledon Volunteer Ambulance Corps, was appalled upon hearing of the CD that Mr. Bleeker had brought to the Council meeting. Mr. Coscia asked Mr. Bleeker when the recording was made and how he had obtained it; Mr. Bleeker refused to answer his questions. Mr. Coscia advised that if, indeed, it was a recording of an ambulance meeting, it was unlawful and that its release was not authorized. He advised that the Ambulance building had been broken in to, and he advised that he wanted the North Haledon Police Department to launch an investigation and see if it was obtained during the 2010 burglary, and if Mr. Beeker was in possession of stolen property. Mr. Coscia believed that the volunteers on the North Haledon Ambulance Corps did not deserve to be victimized and that their privacy had been violated.

Mayor George and the members of the Governing Body expressed their concern that they had no knowledge of the break-in at the ambulance building, since it is a Borough-owned property.

Frank Coscia discussed the two ambulances owned by the North Haledon Volunteer Ambulance. An ambulance was acquired in 2010, but the other one was acquired in 1997 and there have been increasing maintenance and safety issues with it. Mr. Coscia explained that ambulances are usually expected to last 10 years. Mayor George will have Joe Stately, the Borough mechanic go over the ambulance and advise what work needs to be done on it, and he also asked the members of the ambulance corps to begin working on specs for a new ambulance for the November 6th Council meeting. Mr. Coscia expressed the appreciation of the support of the members of the North Haledon Volunteer Ambulance Corps to the members of the Governing Body. Captain Darby took possession of the CD that Mr. Bleeker had brought to the Council Meeting to ensure that the chain of custody is not compromised.
Motion by Councilman Iacobelli, second by Councilwoman Vuoncino, to close the floor to the public. Upon roll call, all members present voted in the affirmative. Motion carried.
