

Youngsville Parks and Recreation Sponsorship

Youngsville Parks and Recreation is an organization that is committed to providing high quality competitive and recreational sports programs for children ages 4-13 in Franklin County and surrounding areas.

There are hundreds of children participating in our programs. While these players are learning the fundamentals of baseball and basketball, they are also making new friends, setting goals, and being a part of a team. These life lessons benefit themselves and our community.

I am inviting you to join the team with these boys and girls by becoming a sponsor. Your financial support allows us to provide uniforms and equipment, maintain facilities, and provide opportunities for children to play at an affordable rate. In addition, sponsors get their brand in front of players, parents, and spectators for an entire season.

There are several sponsorship levels to accommodate all budgets. Please see the attached sponsorship form for details and to join the team. Contact Alysa McLaughlin at amclaughlin@townofyoungsville.org, if you have any questions.

Thank you and let's play ball!
